- 12a. Let me read you some specific issues, and please tell me, on a scale of one to ten, how important each one will be to you in deciding your vote for president in 1996. If you feel an item is one of your top voting issues and it is extremely important to you, rate it as an "8", "9," or "10." If it is not important to you and will not be a factor in your voting decision, rate it as a "1," "2," or "3." And if it is important, but not one of your top issues, choose a number in the middle of the scale. You may use any number between one and ten, depending on how important that issue is to you personally.

Now, starting with **(READ ITEM)**, how important is this in deciding who you will vote for as president?
